

2017 METRO FIRE PLANNERS CONFERENCE MIAMI, FLORIDA, UNITED STATES

March 14, 2017

Subject: **37th ANNUAL METRO FIRE PLANNERS CONFERENCE**
October 1 – October 4, 2017
Miami Beach, Florida

We invite you to attend the 2017 Metro Fire Planners Conference in Miami, Florida. We welcome your contributions and sponsorship, without which the conference would not be possible.

For over 36 years, the Metro Fire Planners Conference has served as an annual forum for Fire and Emergency Medical Services (EMS) professionals. This conference brings together operations, planning, and management practitioners to highlight best practices, and discuss a wide range of prevalent fire and EMS issues. Using an informal roundtable format, the Metro Fire Planners Conference provides a cost-effective means to establish invaluable professional contacts and for attendees to participate in two and a half days of wide-ranging roundtable discussions. Attendees learn what some of the best minds in fire and EMS services have to say about their business.

This year's conference will be held in Miami Beach, Florida, which is home to miles of pristine beaches and a vibrant community filled with world-class events and diverse dining experiences. Attendees will be able to experience the best Miami has to offer, from city tours on and off the water, museums and galleries in the world-famous Wynwood district, to the Everglades for biking, hiking, and kayaking Biscayne Bay and taking in its diverse wildlife, to name just a few. Miami Beach is a great location for attendees from all over to gather and highlight best practices and discuss a wide range of prevalent fire and EMS issues.

Conference organizers and attendees rely on contributions from corporate sponsors to maintain low registration fees and ensure participation from a metropolitan to a rural department. The following chart explains the benefits of sponsorship. If you wish to support this year's conference, please complete the sponsor contribution commitment form. All contributions must be made no later than **July 1st, 2017**.
