44th ANNUAL METRO FIRE PLANNERS CONFERENCE

September 21-25, 2024

Tucson Convention Center – Tucson, Arizona

The Metro Fire Planner Foundation and the Tucson Fire Department would like to invite you to attend the 2024 Metro Fire Planners Conference in Tucson, Arizona. We welcome your contributions and sponsorship, without which the conference would not be possible.

For over 44 years, the Metro Fire Planners Conference has served as an annual forum for Fire and Emergency Medical Services (EMS) professionals. This conference brings together operations, planning, and management practitioners to highlight best practices, and discuss a wide range of prevalent fire and EMS issues. Using an informal roundtable format, the Metro Fire Planners Conference provides a cost-effective means to establish invaluable professional contacts and for attendees to participate in two and a half days of wide-range roundtable discussions. Attendees learn what some of the best minds in Fire and EMS services have to say about their business.

The Metro Fire Planners Conference will take place this year in beautiful Tucson, Arizona. Located in the Sonoran Desert, Tucson is renowned for its breathtaking and beautiful desert landscapes that draw in visitors from all over the world. We're excited about everything this city has to offer for this year's conference. The conference will be hosted at the DoubleTree by Hilton Tucson Downtown Convention Center, where you will find plenty to see, do, and eat within a short walk or drive of the hotel. The hotel has easy access to downtown Tucson's excellent restaurants and award-winning chef's that showcase Tucson's distinctive, multicultural cuisine. With the host hotel directly connected to the Tucson Convention Center, vendors will have easy access to the conference and all that downtown Tucson has to offer. Conference organizers and attendees rely on contributions from corporate sponsors to maintain low registration fees and ensure participation from metropolitan to rural departments. The following chart explains the benefits of sponsorship. Please complete the sponsor contribution commitment form if you wish to support this year's conference. All contributions must be made no later than August 15, 2024.

We hope we can count on your support to ensure the 2024 Metro Fire Planners Conference is a success!

We look forward to your response. Please contact Mike Carsten with any questions or if you need additional information at: Mike.Carsten@tucsonaz.gov or 520-837-7039.

Thank you in advance.
